

# Patsy Says the Magic Words

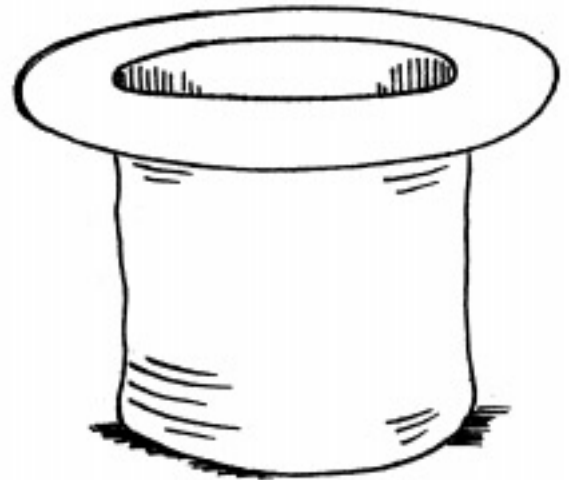

This little kitten is having a terrible time getting that rabbit to come out of the hat. The solution to his problem is really quite simple but it doesn't come to him right away.

Just like magic, if he thinks of **1** magic word, he gets **2** magic words back from the rabbit.

Cut out the cards along the dotted lines and put the cards in order.

1

Can you make the rabbit  
come out of the hat?

2

OK! You stupid, dumb-bunny rabbit,  
you get out of there **NOW!**

3

Here rabbit, **rabbit, rabbit!**  
I have some carrots for you-hoo!
