

# Shadow Play

1. Fold the paper along the dotted line.
2. You may print this page on a color printer. If you don't have a color printer print the page and color in the the circles at the top of the page only; leave the circles at the bottom blank.

3. Stare at the star in the center of the 3 colored circles for at least 30 seconds.
4. Flip the paper over and stare at the star in the center of the blank circles. You'll see the "shadow" colors appear in the blank circles.
